Belts

Athletes should use a durable, 4 to 5 cm wide belt coloured according to the athlete's rank, with a black tip – except for black belts, where the tip should be white or red. The belt should be worn over the top, wrap around the waist twice, and be tied using a double knot tight enough to hold the GI top closed. Once tied in a double knot, each end of the belt should hang 20 to 30 cm in length.

GI Requirements
