1. General Information

1.1. Governance

The Chess event will be conducted in line with the competition rules of the FIDE (International Chess Federation) and the UAE Chess Federation.

1.2. Eligibility

In line with the sport-specific rules, an athlete must compete in their designated age group, with their age determined as of 31 December 2026. For example, if you are 39 years old during the Games time but turn 40 by 31 December 2026, you would compete in the 40-44 age category.

Athletes can enter a maximum of three individual events: Standard, blitz & rapid chess, competitive or recreational grade* (*FIDE Rated players will play in the competitive grade tournaments). The age category entered in each of the individual events can be either the athlete's actual age category or a younger category. However, an athlete who chooses to compete in a younger age category can only do so for one event.

- Example #1: an 84-year-old female athlete can enter the 80+ or the 70+ or the 60+ etc women's.
- Example #2: a 42-year-old male athlete can enter the 40+ men's or the 30+ men's. If he is an unrated player, he can join both the competitive and recreational grades.

Athletes should carefully evaluate whether their physical condition is suitable for participating in the competition. If they suffer from cardiovascular or other diseases that make them not suitable to engage strenuous exercise, seeking doctor's advice is recommended to evaluate whether they can safely participate in WMG events.
